

Term one - Leonardo D Vinci ..Choose THREE pieces of homework from this grid in term one and return the homeworks weekly to the teacher on the chosen day.

Pupils should be spending at least 1 hour, the equivalent of a class period, on each piece of homework issued.

Homework should also be of the same standard as class work.

 <p>Find out FIVE INTERESTING facts about Leonardo Da Vinci that no one else will have. Bring them in written, or saved electronically.</p>	<p>Leonardo combined parts of many different existing creatures to form his monsters. Now you can do the same...</p> <p>Choose THREE animals and create your own fantasy creature using bits of them all.</p> 	<p>Leonardo loved to examine plants and insects in their natural environment, and study how they were constructed.</p> <p>Find an item from nature, like a leaf, or tree seed and create a line drawing in pencil of it.</p>
<p>Leonardo was left handed so wrote from left to right in order not to smudge his writing. He also used mirrors to disguise his writings so that others could not read and then steal his ideas. Create your own picture alphabet, then write out a fact about Leonardo, and change it into picture code. Bring in to swap with another member of the class.</p> 	<p>Leonardo designed a multitude of mechanical devices, including parachutes, and studied the flight of birds as well as their structure. Design a flying paper airplane that will beat all others in a distance competition.</p> 	<p>Leonardo was a brilliant inventor.</p> <p>Invent a new machine for your home to make everyday tasks a little bit easier.</p> <p>Label your creation and explain how it works.</p> 
<p>pupil comment</p>	<p>parent comment and signature</p>	<p>teacher comment and signature</p>
